Life is full of surprises.. some bitter some sweet. For medical emergencies like surgeries, accidents and sudden illnesses, ICICI Lombard General Insurance Company Limited brings you Family Floater Health Insurance plans that are flexible enough to cover you and your family.

FLOATER

Anyone in your family can avail of this cover. It can be you, your spouse or your child.

Example: Mr. Kumar, his wife and their son are covered for Rs. 2 lakh each, under a regular health policy. They would have paid premiums for 3 two-lakh policies. In an unforeseen situation wherein a surgery and post-hospitalisation bill of their son amounts to Rs. 2.4 lakhs, the regular health policy would cover Rs. 2 lakh while Mr. Kumar would have to pay the balance Rs. 40,000, even though there was no claim from Mr. Kumar and his wife.

With Family Floater, the cover of Rs. 3 lakhs would be shared among the entire Kumar family, thus making available to every member a cover of Rs. 3 lakhs. Mr. Kumar would have thus the entire Rs. 2.4 lakhs medical expenses covered for his son.

FREE HEALTH CHECK

Family Floater comes with a free health check coupon for any one person in the plan, covering tests like fasting blood sugar, ECG, routine urine analysis, ESR, blood count. This coupon is valid for one whole year.
